

IRIS Alerts

We successfully used the IRIS System on Tuesday to notify our families of the school closure on Wednesday.

When you receive the IRIS Alert, please do not call the school to inform us. We need to keep the phone lines open.

Remember that the IRIS Alert will indicate that you are receiving a phone call and/or text message from 212-246-4784. All email will be sent from nbeale@shjsnyc.org and will display as IRIS from SHJS.

IRIS will be used to inform families when school will be closed due to inclement weather.

In addition, IRIS will be used to make important announcements to our school community.

If your contact information has changed since you completed the IRIS form in your Welcome Package in September, please contact the school office to complete a new IRIS form. *All updates must be completed on an IRIS form.*
