IRIS Testing This Week

Beginning tomorrow, Tuesday, January 5th, we will begin testing the Immediate Response Information System (IRIS) to ensure that all families are able to receive communication from the school.

You will be receiving a phone call and/or text message from 212-246-4784. All email will be sent from nbeale@shjsnyc.org and will display as IRIS from SHJS.

IRIS will be used exclusively to inform families when school will be closed due to inclement weather.

In addition, IRIS will be used to make important announcements to our school community. Once we have confirmed that all families are receiving the IRIS messages, we will begin to use the system frequently as another means of communicating to our families.

If you do not receive a test message by Thursday, please contact the office to confirm the information that you provided to us in September.

If your contact information has changed since you completed the IRIS form in your Welcome Package in September, please contact the school office to complete a new IRIS form. *All updates must be completed on an IRIS form.*

Additional information about IRIS can be found on the web at www.techradius.com.
