

Summer Assignments

This summer we are changing the format of our summer assignments to promote skill building in Reading, Math and ELA.

Students entering Grades 1 to 4 are required to complete a comprehensive skills workbook in all 3 curriculum areas. Students entering Grades 5 to 8 are required to complete a Math skills workbook. Detailed information will be sent home later this week.

These workbooks must be purchased through the SHJS office and will be available soon. The cost of each workbook is \$16.00.

Email Addresses Needed

This week you will be receiving a form asking you to update all your contact information for the summer. Please be sure to include email addresses with your update.

Beginning this summer, we will be emailing information to parents and this will continue into next school year. Our hope is to ensure that parents are receiving the information from the school in a more timely manner.

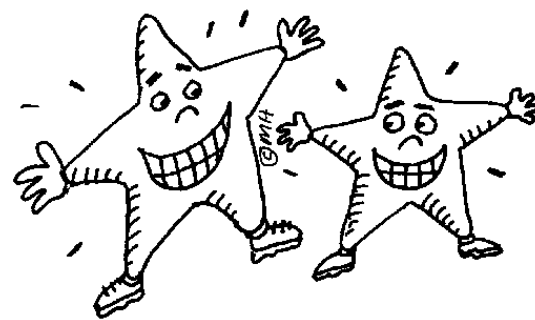

Yearbooks have arrived!

The 2010 Yearbook has arrived and is available for sale in the SHJS office. The cost of the yearbook remains at \$15.00.

There is a limited quantity available for sale since most families reserved a copy back in the fall.

The yearbook is full-color and has all the class photos as well as many candid shots of the students taken throughout the school year.

It is a great memory keepsake!

Reminder . . .

The General Fee & Technology Fee for 10-11 are due by June 15th
Only families current for 2009-2010 are eligible to pay the fees by June 15th
The \$50 late fee will be assessed on each fee that is not paid by June 15th
(yes, that is \$100.00 in late fees)
