

## “I don’t feel well”

These are the last words that moms and dads want to hear in

the morning before leaving for school.

If your child is not feeling well, it is best that he or she remain at home that day. When a student comes to school sick, other students and the teacher can become sick too.

Once you have decided to keep your child home, please call the school to let us know. A child’s absence must be reported by 9:00am each day. If your child is out sick for three or more days, you will need to bring a doctor’s note upon return to school.

Also, we ask that if a student needs to be picked up during the school day due to illness, that every effort be made to come to the school as quickly as possible.

Reminder to all Grd. 1 to 8 families:  
Permission slips & payment for the Christmas Spectacular is due by 9am on Friday, Oct. 16th.  
No late submissions can be accepted

1st Quarter Progress Reports

## Fundraising Reminder . . .

The Fall Gift Sale has come to an end and we are grateful to all our families that participated in making the fundraiser a BIG success.

Our next fundraiser — the Fall Gift Sale #2 sale will begin on Monday, October 19th.

### Please Donate School Supplies

Mrs. Ramaraju and the 7th Grade students are collecting school supplies for students in the Philippines that have been effected by the destructive flooding.

Please donate new school supplies next week and they will be shipped to a school in the Philippines.

#### Items needed:

Pencils, pens, notebooks, paper, crayons, markers, erasers, scissors, glue sticks, highlighters, index cards and masking tape.

### Fundraising at the Market

Thank you to all our families for sending in your Box Tops for Education.

This Quarter, our deadline for submission is Monday, October 26th.

Keep bringing in the Box Tops — each Box Top earns money for the school, so each one that is tossed into the trash, is money being thrown away.

#### Let's Play Store

Collect empty grocery containers (for example, an egg carton, cereal boxes, and soup cans) and put them on a table. Help your child think of a price for each item. Mark the prices on the containers. Pretend to be the customer while your child is the cashier. Have your child write the total on a piece of paper, which will be your receipt.
