The winter uniform will be worn from Monday, October 15th, 2007 through April 2008. The optional summer uniform can be worn from the opening of school until Friday, October 12th, 2007 and then from Monday, May 5th, 2008 until the close of school.

In addition to wearing the proper uniform each day, girls are not allowed to wear make-up (including colored nail polish) or excessive jewelry. Earring should be limited to post-style only and must not be larger than a penny. No large or non-post style earrings are allowed. If students wear such items to school, the student will be asked to remove the items and parents may be notified.

Personal Appearance

A good personal hygiene routine should be followed daily: ears, neck, and fingernails should be given special attention. When appropriate, children should be instructed in the use of deodorant.

Hair should be clean and well groomed. The boys' hair should not be below the shirt collar. Bangs should not be so long that they impede vision.

Parents will be notified if a child comes to school consistently in an unkempt manner. If no improvement is noticed within a reasonable amount of time, an appointment with the parents and with the guidance office will be made by school officials.
